

# Investigating 9 Times

First: guess the answer.

Write your GUESS ABOVE THE LINE.

Second: check your guess with the calculator.

Write the CALCULATOR ANSWER BELOW THE LINE.

$9 \times \text{-----} = 0$

$9 \times \text{-----} = 1$

$9 \times \text{-----} = 2$

$9 \times \text{-----} = 3$

$9 \times \text{-----} = 4$

$9 \times \text{-----} = 5$

$9 \times \text{-----} = 6$

$9 \times \text{-----} = 7$

$9 \times \text{-----} = 8$

$9 \times \text{-----} = 9$

$9 \times \text{-----} = 10$

$9 \times \text{-----} = 11$

$9 \times \text{-----} = 12$

$9 \times \text{-----} = 13$

$9 \times \text{-----} = 14$

$9 \times \text{-----} = 15$

$9 \times \text{-----} = 16$

$9 \times \text{-----} = 17$

$9 \times \text{-----} = 18$

$9 \times \text{-----} = 19$

$9 \times \text{-----} = 20$

$9 \times \text{-----} = 21$
