

MAKE A MOKE

Name:

Date:

RULES

Aim: Be first to complete the Moke drawing by the rules.

- You must roll a six to start. That gets you the body.
- Each time you roll one of the numbers add on that piece - if you still need it.
- While you wait for your turn, decorate your Moke.
Is it a Beach Moke, an Army Moke, a Music Moke, a Zoo Moke, a Boat Moke, a ... ?

6 = the body to start you off

5 = one crash bar; but you need one for each end

4 = a seat; just get one for the driver

3 = a steering wheel for the driver

2 = one wheel; but your drawing needs two

1 = a rollbar to keep your head safe

Keep on Mokin'
